The Committee on Faculty Services met twice during the Fall on September 5th 2012 and October 31st 2012.

During this period, the committee made recommendations to the SEC for appointment of faculty to various committees within the Manoa campus.

We also set up an agenda and process for the election cycle to be held during the Spring session. (See CFS Procedures: http://www.hawaii.edu/uhmfs/documents/2012_13/201213_cfs_procedures.pdf)

With regards to issue #31.12 which was carried over, the committee worked on streamlining the process of faculty appointments to the various Manoa committees.
